Product Description

- The ProLuxe offers professional grade power at a non salon price. Customers comparing it to Dyson or GHD will be stopped in their tracks by the savings.
- Salons and barbershops buying for multiple styling stations order in bulk. When the product delivers, they actively refer other owners in their network.
- Hotels and serviced apartments use this to replace cheap wall mounted dryers. It offers a luxury guest experience at a fraction of the expected cost.
- A high quality hair dryer lasts for years. Gift buyers instinctively recognize it as a meaningful, premium present rather than a throwaway item.

Scale smarter with the right partner.

High quality electronics, reliable supply, and support that grows with your business. Bulk pricing. Custom solutions. Real partnerships.
