Product Description

- Mifo O5 owners will come back for these upgraded ear tips the moment they know they exist. They take ten seconds to install and deliver a better fit, seal, and sound.
- Every Mifo O5 owner is a potential buyer. Stocking these premium ear tips gives customers who already bought the earbuds from you a compelling reason to return to your store.
- Swimmers and gym goers using their earbuds daily will need replacement tips within 6 to 12 months. They will buy from whichever location is most convenient.
- This is a high converting, low-cost upsell at checkout. Telling a new buyer that these tips provide a better water seal or fit makes saying "yes" a very easy decision.
- Wellness minded customers respond heavily to the hygiene and comfort of memory foam. Tips that create a perfect acoustic seal during long workout sessions directly appeal to this demographic.
